July 18th Report

There was a tour at Coastland at 4pm (I missed it), and all were to meet after for fellowship at the Old City Station Pub. Fred was raring to go and was the first one there with beer in hand. It was agreed all around that the food was fantastic – far above our usual grub at the usual place.

Chairing the Meeting: nobody really

No O' Canada this week.

Visiting Rotarians – None (but we didn't poll the crowd)

Guests: Don't think so, but I have been mistaken in the past, never wrong, only mistaken.

The Meeting, general notes, etc.

Bond Report - We have a theme – The tenth Bond movie was **The Spy Who Loved Me (1977)**, and that's our theme for our tenth Bond Classic. Action, Spys and a LOVE theme. Should prove to be the most memorable Bond yet! Don't tell Joanne that I have had contact with the movie industry for professional stuntfolks (At least they have insurance). All I CAN say is that your better not miss it! So don't say that we can't get anything doen during the Summer months.

No presentation this week

There wasn't really a meeting thin week either, but we did get together and enjoy our extended Fellowship meeting - ahhhh I love the Summer!

Sergeant at Arms –Not this week either.

50/50 – No draw this week.

July 25th (All Day) was my Birthday, I went fishing, then kayaking, drank copious amounts of an amber liquid, wine, port, then some more of the amber liquid. And none of you sent presents... Oh I missed the meeting too so there will be no Tradewinds for last weeks meeting.

Upcoming Agendas

August 1st

4:15 – District Governor Norm Watts will be visiting our fair Club, and has a presentation in store. We are scheduled to meet at Malaspina's Library in the Special Collection Vault (details to follow). Don't be late Suzie has advise that the door will LOCK at 4:30pm.

- August 8th 5:00 – Meeting & Fellowship combined (what could be better). We are at Muddy Waters for a Beer & Burger night/Breast Cancer Fundraiser. Ten bucks for a ticket and a burger (\$5.00 is the food cost and \$5.00 goes to Breast Cancer research). RSVP to Shelly Anderson – SOON!
- August 15th TBA

Jokes of the week – various themes

Joint Venture - Hummer and Volkswagen, in a new venture on the lower west coast of Mexico, are going to build a hybrid auto called the Baja-Hum-Bug.

A lawyer was out golfing when he was hit in the head by a golf ball. When the other golfer came to get his ball the lawyer said, "I'm a lawyer and this is going to cost you \$5,000." The other golfer said, "Didn't you hear me yell FORE?" The lawyer then said, "I'll take it!!!"

Member Birthdays: I told you to send them in. You all had plenty of warning. And what did I say I would do if you didn't send the dates in...? That's right I get to say when your birthday is...he, he, he, I note those offenders in red for this week only. After that your birthday has been officially changed (that means you will need a new driver's license)
