### Jun 13<sup>th</sup> Report

Chairing the Meeting: Bob Butler. This was supposed to be Bob's last duty as President and he even screwed this up by not showing – He doesn't have a job right now and he can't be bothered to close out his illustrious year as Chair of our fair club. Walter stepped up (as he has all year), and kept things under control.

Ric led us in O' Canada with an even faster rendition than Past President Fraser is capable of... I'm not sure laughter is part of the Anthem. Hmmm

Visiting Rotarians – None

Guests: Bev Hilton, Arjan Manhas, Bill and Jodi Jennings

### Presentation by Don Cheshire, BC Ferries

There were no fantastic quotes to quote, just a lot of information about the Departure Bay Terminal expansion. Increased holding areas, and parking (short term parking increases from 70 – 90 stalls, and long term increases from 230 to 585 stalls). Of particular interest were the stats for the new Super-C's arriving in December. The Super-Cs carry roughly the same number of cars, but have an increased capacity for trucks, at 30+ up from 13. The Super-Cs will be the most up-to-date Ferries in the World when they arrive. With increased security features in the Terminal, Don doesn't expect any increased cost. (huh)? He also mentioned that BC Ferries was actively looking for companies to take over the smaller runs which lose money.

There was great attendance today

Sergeant at Arms –Ann-Marie filled in for Joanne, waived all fines, and still collected a fair amount of happy/sad bucks!

50/50 – Chris had his number picked but couldn't pick the 10 of hearts.

Meeting was adjourned a little late. Fellowship at the Roost followed.

### Upcoming Agendas

A Club business meeting is scheduled for the June 20<sup>th</sup> meeting

## Installation – June 16<sup>th</sup>

### Our new Leader – Walter Anderson

You don't need to know anything else about Installation night.

### Jokes of the week – golf themed (tis' the season)

A man and his friend meet at the club house and decide to play a round of golf together. The man has a little dog with him and on the first green, when the man holes out a 20 foot putt, the little dog starts to yip and stands up on its hind legs. The friend is quite amazed at this clever trick and says, "That dog is really talented! What does he do if you miss a putt?" "Somersaults," says the man. "Somersaults?!" says the friend, "That's incredible. How many does he do?" "Hmmm," says the man. "That depends on how hard I kick him in the ass."

Awe, come on... you laughed! Admit it.
